

Bicentennial Park and Lambert Park Mt Nelson and Sandy Bay, Hobart

DISTANCE 2.9km

EXPERIENCE Bush

DESCRIPTION

A downhill walk, the first half of which is through open forest with views of the city, whilst the second half is amongst wetter forest.

From the historic Mt Nelson Signal Station the track descends gently downhill as it winds pleasantly through open forest. This section of track receives good sun making it an ideal choice for a winter walk. Dogs on lead are permitted as far as the Enterprise Road junction.

The track grade then becomes steeper and the forest increasingly shady and damp. After crossing Lambert Rivulet the creek is followed downstream to Lambert Avenue.

USER GROUPS	SUGGESTED TIME	DIFFICULTY
	Under 2 hours	

DOGS

Dogs allowed on lead (partial track only).

ACCESS

FACILITIES

RESTRICTIONS

Due to significant fauna values in the lower sections of Bicentennial Park, dogs are prohibited from walking the entire length of this track.

SAFETY PRECAUTIONS

This is a steep downhill track and has one road crossing.

MAP

The tracks starts at: -42.924154, 147.344194
