

Fern Tree to Wellington Falls Fern Tree, Hobart

DISTANCE 12.7km

EXPERIENCE Bush

DESCRIPTION

This is a long, full day walk. Rather than walk the whole way, many people cycle the Pipeline Track then leave their bikes and follow the Wellington Falls Track to the lookout.

The Pipeline Track is level and wide. From Fern Tree to Neika it winds through shady wet forest and past gardens and homes nestled in the bush. After Neika it joins the 4WD management track winding in and out of a series of spurs and gullies above the North West Bay River.

The Wellington Falls Track climbs gently and has great views across the valley to Cathedral Rock and Montague Thumbs. The lookout over the Falls has been cleverly built into the landscape.
