

The Springs to Lenah Valley Wellington Park and Lenah Valley, Hobart

DISTANCE 7.1km

EXPERIENCE Bush

DESCRIPTION

A downhill walk with three historic huts, a lookout and a waterfall to explore. This is a good all year round family walk and it also suits people seeking a bushwalk with their dog (on lead of course!)

From The Springs the Lenah Valley Track contours around the slope to Sphinx Rock. The sandstone rock platform provides great views of the Organ Pipes, Hobart and Derwent estuary. The route then passes three stone cabins, testament to kunanyi / Mount Wellington's long history as a popular bushwalking location. The small but attractive New Town Falls make an ideal spot to pause before completing the final part of the walk.
